THE EU-PFF CONSULTATION GUIDE

A guide to **treating** fibrotic ILDs

Need guidance in the diagnosis, treatment and support of patients with fibrotic Interstitial Lung Diseases (fILDs)?

Together with its Scientific Advisory Board comprised of renowned experts in the field of fibrotic Interstitial Lung Diseases, EU-PFF has developed a consultation guide for healthcare professionals.

It contains guidance on all aspects of fibrotic Interstitial Lung Diseases, such as:

- » Information on fibrotic interstitial lung diseases
- » Diagnosis of this family of diseases
- » Available treatments, both pharmacological and non-pharmacological
- » Disease course and progression
- » Advice for patients on the day-to-day management of the disease
- » Psychological and peer support

Please visit www.eu-pff.org for more information or scan the QR code with your smartphone to download the guide.
